2019 WMPC Community Grant Application

(Updated July 2, 2018)

Deadline: September 1, 2018

Through our grants program, we seek to demonstrate Christ's love. Grants are awarded to non-profit agencies in Wake County that are working to meet basic human needs, teach life-coping skills and promote self-sufficiency. Through the agencies funded we endeavor to establish strong, collaborative relationships and mobilize our members as volunteers in addition to providing financial support. Our hope is that these funds will further your efforts and be our way of reaching beyond our church walls.
